MidQWest 2026

Hackathon & Workforce Development Initiative

November 20–22, 2026

University of Illinois Chicago

Students • Industry • Innovation

BUILDING TODAY'S TALENT
FOR TOMORROW'S QUANTUM WORLD

150–200 expected participants

8+ universities represented

5+ tracks and themes

3+ real-world challenges

Undergraduate and Graduate Students

DISCIPLINES INCLUDE

- Quantum Computing
- Computer Science
- Engineering
- Physics
- HPC & Data Science

A STRONGER QUANTUM WORKFORCE
A BRIGHTER MIDWEST

TALENT

Engage with top Midwest talent from leading universities.

TECHNOLOGY

Real problems. Real solutions. Offer industry challenges and gain fresh perspectives.

BRAND

Build visibility across multiple channels and connect with a diverse, mission-driven audience.

ECOSYSTEM

Help grow the Midwest quantum workforce and strengthen community between academia and industry.

Investing in students today builds the quantum breakthroughs of tomorrow.

WHO PARTICIPATES?

- Students from across the Midwest
- Universities (e.g., UIC, Northwestern, UIUC, and more)
- Industry partners (quantum, HPC, AI, semiconductors, cloud, and more)
- Research labs, national labs, and nonprofits
- Mentors, instructors, and quantum ecosystem leaders

PARTICIPATING UNIVERSITIES & ORGANIZATIONS

UIC UNIVERSITY OF ILLINOIS CHICAGO · UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN · THE UNIVERSITY OF CHICAGO · PURDUE UNIVERSITY

...and other universities and student organizations across the Midwest

Sponsorship Tiers

MEANINGFUL ENGAGEMENT. LASTING IMPACT.

Bell Sponsor

- Logo on event materials and website
- Speaking opportunity
- Social media recognition
- Recruiting access
- Event swag
- Access to participant resumes
- Support the next generation of quantum innovators

GHZ Sponsor

- All Bell benefits
- Branded industry challenge option
- Panel participation
- Dedicated booth (expo area)
- Mentor engagement
- Featured logo placement
- Early access to top talent

Partner Sponsor

- All GHZ benefits
- Custom collaboration opportunities
- Workshop or technical session hosting
- Co-branding on select programs
- Access to faculty and research networks
- Long-term partnership discussions
- Help shape the future of the quantum workforce

Measurable Impact

MORE THAN AN EVENT — A STRONGER TOMORROW.

- Be a connector to tomorrow's quantum workforce
- Inspire and upskill the next generation of innovators
- Foster collaboration across academia, industry, and government
- Advance diversity, equity, and inclusion in quantum and STEM
- Generate real-world solutions to real challenges
- Position your organization as a leader in the quantum ecosystem
